AUTOMATED LEAD CAPTURE

## Guide businesses down a digital path

Embed the SPARK lead form on your website let borrowers kickstart the loan process. Or, scan a business's tax forms and watch SPARK automatically create a loan package.

---

STREAMLINED PROCESSING

## Keep everything on track

Applicants seamlessly connect with your team to efficiently build and advance the package. Applicant-submitted information is available for review immediately.

---

TRANSPARENT UNDERWRITING

## Everyone is on the same page

Assign team members and divvy up tasks. Reminders keep the package on track. Ditch your shared drive - all information and documents are tied to the package in SPARK.

---

INTELLIGENT PACKAGING

## SPARK knows what you know

Letters of Interest, Commitment Letters, Credit memos pull relevant information from the package - create and send in seconds. Checklists allow you to monitor eligibility in real time.

---

PAINLESS CLOSING

## Click. Close. Celebrate!

Sign and send documents from SPARK and instantly memorialize agreements. Submit to E-Tran with a single click and watch SBA information flow back to the package.
